Farm Service Agency
Washington, DC 20250

Notice TB-1051

For: Tobacco State and County Offices

2002 Crop Year FSA-578 Summarization Process

Approved by: Acting Deputy Administrator, Farm Programs

1 Overview

A

Background

The FSA-578 summarization process for the 2002 crop year will be available after County Release No. 492 is installed.

1-TB SCOAP requires that County Offices transmit Preliminary Allotment Report PSL-6R and Harvested Acreage Report PSL-9R to State Offices.

Data used to develop the reports is generated during the FSA-578 summarization process for the 2002 crop year.

B

Purpose

This notice provides:

- instructions for the FSA-578 summarization process for the 2002 crop year
- error codes and messages for the FSA-578 summarization process.

Note: See Exhibit 1.

Disposal Date	Distribution
March 1, 2003	Tobacco State Offices; State Offices relay to applicable County Offices

Notice TB-1051

2 Action

A

Installing County Release No. 492 and Running Summarization Process

After receiving and installing County Release No. 492 containing the 2001 FSA-578 summarization, County Offices shall run the summarization process according to this table.

Step	Action
1	Run the summarization process for the kinds of tobacco applicable for that county. <ul style="list-style-type: none">For burley and flue-cured tobacco counties, run the summarization process before annual calculations.For other kinds of tobacco counties, run the summarization process before generating PSL-6R and PSL-9R.
2	Ensure that all reported and determined acreage has been entered through the FSA-578 application, according to 2-CP.
3	Rerun the summarization process after making any corrections to FSA-578. Note: Annual calculations may not be accessed until all corrections are made.
4	Summarize the 2002 crop year tobacco FSA-578 data by entering: <ul style="list-style-type: none">“3” on PFC/Compliance Menu M00000“5” on Acreage and Compliance Determinations Year Menu MEA000“7” on 2001 Acreage and Compliance Determinations Menu MEAL00“1”, “2”, “3”, or “4”, as applicable, on 2002 Peanuts and Tobacco Summarization Menu MEALP0.
5	For other kinds of tobacco, generate and transmit: <ul style="list-style-type: none">PSL-6R by October 1, 2002PSL-9R by November 1, 2001.

Error Codes and Messages for the FSA-578 Summarization Process

The following are error codes and messages for the FSA-578 summarization process.

Error Code Number	Farm Crop File Updated	Error Message and Description
7	No	<p>FSA-578 RECORD HAS ACRES RECORDED BUT THERE IS NO FARM CROP RECORD. COULD NOT UPDATE.</p> <p>This message will be displayed if acres were reported on FSA-578, but either the farm or the farm crop record is missing. If FSA-578 data is:</p> <ul style="list-style-type: none"> • correct, add a farm crop record • incorrect, reload FSA-578 data under the correct farm number or crop record.
8	No	<p>FARM CROP RECORD EXISTS BUT THERE IS NO FSA-578 DATA RECORDED. FARM CROP RECORD NOT UPDATED.</p> <p>This message will be displayed if:</p> <ul style="list-style-type: none"> • there is no FSA-578 data for the farm or crop • FSA-578 data was not entered before the FSA-578 summarization process. <p>No action is needed on farms that did not file FSA-578.</p>
